Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Airport Community Senior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Ryan Irwin, High School Assistant Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.acspublic.com, or you may review a copy from the High School Office.

For 2010-2011, Airport Senior High School did not make Adequate Yearly Progress due to the fact we did not attain target achievement goals for all subgroups of students in mathematics. The "economically disadvantaged" subgroup for Mathematics proficiency is the single area we fell short in. All other scores were passing and all areas of the ACT (not including Mathematics) we saw an increase in score. The overall average of the 2010-2011 ACT was over a half of a point higher than that of the 2009-2010. We have already implemented an "At-Risk Coordinator" to work with our economically disadvantaged students, and we are currently looking into an ACT/MME preparatory class for all juniors. Airport High School will do everything in our power to ensure we reach this goal in the up-coming school year.

Airport Community Schools is a district serving students, Preschool through 12th grade, with a long tradition of excellence at every school, every day. With continued support from our Community, Parents and Students we will continue to advance in student achievement throughout the district.

Sincerely,

Ryan Irwin
