Airport Community Schools District Annual Education Report

August 16, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Airport Community Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws; however, our staff is available to help you understand this information. Please contact John Krimmel, Superintendent if you need assistance at 734-654-2414.

The AER is available for you to review electronically by visiting our web site www.acspublic.com or you may review a copy in the principal's office at your child's school.

The report contains the following information:

Student Assessment Data– Michigan Educational Assessment Program (MEAP), Michigan Merit Exam (MME), and Michigan's Alternative Assessment Program (MI-Access) presents achievement data for English language arts and mathematics for grades 3 to 8 (MEAP), for grade 11 (MME) and science for grades 5 and 8 compared to targets for all students as well as subgroups of students. Provides achievement data for English Language Arts, Mathematics and Science for students with significant disabilities (MI-Access) compared to targets for all students with disabilities as well as subgroups of students. Helps readers understand achievement progress within schools and compare these to district and state achievement.

Adequate Yearly Progress (AYP) – Detail Data and Status provides information from assessments, graduation and attendance rates and AYP status in relation to four criteria.

The district must test 95% of students in total and in each required subgroup.

The district must attain achievement goals in English language arts and mathematics or reduce the percentage of students in the non-proficient category of achievement significantly ("safe harbor") annually. The district must attain achievement goals for each subgroup that has at least 30 students in the group.

For 2010-2011, Airport Senior High School did not make Adequate Yearly Progress due to the fact we did not attain target achievement goals for all subgroups of students in mathematics. The "economically disadvantaged" subgroup for Mathematics proficiency is the single area we fell short in. All other scores were passing and in all areas of the ACT (not including Mathematics) we saw an increase in score. The overall average of the 2010-2011 ACT was over a half of a point higher than that of 2009-2010. We have implemented an "At-Risk Coordinator" to work with our economically disadvantaged students, and we are currently looking into an ACT/MME preparatory class for all juniors. Airport High School will do everything in our power to ensure we reach this goal in the up-coming school year.

For 2010-2011, Wagar Middle School did not make Adequate Yearly Progress due to the fact we did not attain target achievement goals for all subgroups of students in Reading. The “Students with Disabilities” subgroup for Reading proficiency is the single area we fell short in. This year we are focusing on Co-Teaching in all core classes. We believe having two highly qualified teachers in the classroom will only enhance the learning for our special education students. We are also using a new daily schedule that will allow for us to have additional instruction in all of the core areas. We were able to increase the time for Mathematics and Language Arts by twenty percent.

For 2010-2011, Ritter Elementary, Eycler Elementary and Sterling Elementary made Adequate Yearly Progress (AYP) in English.

NAEP Data (National Assessment of Educational Progress) Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8, cannot be compared with MEAP results for grades 4 and 8 because there are no national standards.

Facts about our schools:

- Airport Community Schools’ process for assigning pupils to our schools is decided by students’ grade level and the location of their home.
- Parents may access a copy of our core curriculum on our school web-sites.
- Thirty students participated in dual enrollment.
- Five Advanced Placement classes are offered at Airport High School.
- 103 students were enrolled in Advance Placement Classes.
- 76 students took AP Exams; no grades are available to date.

Airport Community Schools is a district serving students, Preschool through 12th grade, with a long tradition of excellence at every school, every day. With continued support from our Community, Parents and Students we will continue to advance in student achievement and technology throughout the district.

Sincerely,

John J. Krimmel IV

John J. Krimmel IV
Superintendent
