Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Wagar Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Dan Bondy, Wagar Principal for assistance.

The AER is available for you to review electronically by visiting the following web site www.acspublic.com, or you may review a copy from the Wagar Office.

For 2010-2011, Wagar Middle School did not make Adequate Yearly Progress due to the fact we did not attain target achievement goals for all subgroups of students in Reading. The "Students with Disabilities" subgroup for Reading proficiency is the single area we fell short in. In all other areas of the MEAP we performed up to the State Standards. We will continue to strive to improve all areas of our curriculum and instruction.

This year we are focusing on Co-Teaching in all core classes. We believe having two highly qualified teachers in the classroom will only enhance the learning for our special education students. We are also using a new daily schedule that will allow for us to have additional instruction in all of the core areas. We were able to increase the class instruction time for Mathematics and Language Arts by twenty percent.

Airport Community Schools is a district serving students, Preschool through 12th grade, with a long tradition of excellence at every school, every day. With continued support from our Community, Parents and Students we will continue to advance in student achievement throughout the district.

Sincerely,

Dan Bondy
